#### POLI'S

Look who's coming to Poli's next week! None other, forsooth, than that incomparable comedian, Frank Lalor, late of "Coming Thro' the Rye" and "Prince Humbug," the man who is beyond doubt the most popular musical comedy comedian with a Bridgeport audience to-day. Lalor has gone into vaudeville and he has taken several of the best people who appeared with him in "Coming Thro' the Rye" and "Prince Humbug," Lalor has a comic

# Butterick patterns are home again.

Reliable, satisfactory, up-to-the-minute; Butterick patterns are to be sold in Bridgeport only at this store.

After a thorough test, we have decided that Butterick are the patterns Bridgeport women want. They are easily usd, they fit perfectly, they are equally satisfactory whether used for women or girls or tiny toddlers. And so we shall sell them. The store aims always to sell what people most want; whether it be patterns or carpets, boys wearables or pins. And we believe Bridgeport women most want Butterick patterns.

To make doubly-interesting the opening of the Butterick department, we have a little extra attraction. Every woman who visits that department will be given a special issue of Butterick Fashions. This issue is a duplicate in size and style of the regular edition. It consists of 16 pages illustrating new and good fashions. It is well worth owning and there is one for you.

No charge is made for this. It is our way of welcoming you at the new department. But come promptly; then there will be no fear of disappointment.
